Hi Joanne,

Unfortunately, both the trainee and the Surveyor have left the Company, we are currently recruiting replacements.

I did advise that we go to the local colleges and clients to offer placements for work experience, unfortunately we have had no uptake. You have also gone to WMFS and they have no-one they wish to send.

Once we have the new starters I will be able to have them complete the forms for social value once I have provided the training.

Kind Regards,

Joanne
